SECONDARY PARENT PAYMENTS AND VOLUNTARY FINANCIAL CONTRIBUTIONS

Dear Parent Guardian ,

By providing a stimulating, learning and caring environment, Doveton College challenges and supports each of our students to achieve their personal best. Doveton College is very proud of the quality programs we have put in place to cater for the needs and interests of all of our students. On an annual basis College Council spends a lot of time and effort considering the financial position of the College and aims to keep costs to a minimum whilst also enabling the College to continue to provide the high-quality standard of learning that we have come to expect and want for our children.

We are looking forward to another great year of teaching and learning and would like to advise you of Doveton College's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through the payment of contributions, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school your support allows us to:

- Provide all the necessary stationery for your child which includes all books, pencils, pens, pencil cases etc for their day-to-day learning
- Provide high quality programs and equipment for English, Maths, Science, Art, Music, P.E. & Health
- Provide student laptops, IPADS and computers which were a much-needed resource for families during the COVID lockdowns and continue to be a very valuable teaching resource.
